

The Findlay Craft Beer and Wine Tasting event will conform to the current Ohio public health orders. These directives require that all individuals in Ohio must wear facial coverings in public at all times when:

- At an indoor location that is not a residence
- Outdoors, but unable to maintain six-foot social distance from people who are not household members
- Waiting for, riding, driving, or operating public transportation, such as a taxi, a car service, or a private car used for ride-sharing.

The order only requires those 10 years old or older to wear a mask. Additional exclusions include:

- Those with a medical condition or a disability or those communicating with someone with a disability;
- Those who are actively exercising or playing sports;
- Those who are officiants at religious services;
- Those who are actively involved in public safety; or
- Those who are actively eating or drinking.

Groups will be limited to 10 or fewer individuals at all times. We appreciate your compliance with these directives and hope you have a safe and enjoyable time while attending the Findlay Craft Beer and Wine Tasting Event.
